

Our mission is to help each child reach his or her full potential by providing a positive environment that fosters academic, emotional, and social growth in each student.

Announcement

A note from the Headmaster

Thank you very much to all parents for attending our Parent Teacher Conferences last Tuesday. I hope you found them beneficial and informative.

If you were unable to receive your child's report card by email, please come to the office. We want to be sure we have your email and any other information updated.

Weather Report!

We have a tropical storm (Francisco) in our area. We are always monitoring the weather to be sure the safety of our students. It appears that we will be spared the destructive force of the storm. However, we continue to monitor its path. For your information: School will be close **ONLY** in case of Typhoon condition I or II. School dismissal has been established by the government and will be observed by SIS unless changed by announcement of the Headmaster. Radio and television should be monitored for the latest weather announcement. The answer machine at school (288-9660) also will be updated and parents may call at any times. In the event that school is canceled due to weather conditions, school days will be added to the end of the school year or to a scheduled holiday. We will also send emails to you in the event of sudden weather changes.

Also the PSAT testing at the school went very well. When the results are received we will be able to use that information to help our students in their preparation for college and courses.

Our NHS mentoring program will begin next week. We will be sending home messages informing you of the days and name of your child's mentor.

Congratulations to our Middle School and High School Math Count teams. They won 27 medals in the October 13 Math Count event. The winners names are listed in this Scoop. Great job!!

VOLLEYBALL

We had a fantastic week in our volleyball games. All our games were victories:

- SIS White (Co-ed) vs. SDA and MBA
