

Our mission is to help each child reach his or her full potential by providing a positive environment that fosters academic, emotional, and social growth in each student.

Announcements

WELCOME BACK EVERYONE!

Another great week of school. As power is returning to some of the Saipan areas, we hope that we can have ours connected soon.

Meanwhile, we added more power to our buildings and we are able to have at least one fan in each classroom. The Xerox machine is working full time and we have lights in the Elementary bathrooms.

In grades 3-12 progress reports in all academic core subjects are sent home every three weeks. The first progress report will be sent home on September 22. This is a very helpful tool to monitor the progress of your child.

NEWS ABOUT THE SIS CLUBS

Students at the Middle and High School level have joined two clubs every week at the last period of the day. The variety of these clubs will provide a great opportunity for our students to gain all necessary skills for the future.

Insurance Form

All our students are enrolled in a Personal Accident Insurance plan. All parents must fill out the form. You do not need to pay any fee. This amount was already included in your registration fee.

It is mosquito season! We noticed mosquitoes are biting some of our students during lunch, recess or PE time. We encourage parents to apply some mosquito repellent to their children before they come to school.

Helping others

A group of SIS students has created a Support Club to help the hundreds of people who lost their money, houses, and everything they own from Typhoon Soudelor. This Support Club will be linked to Red Cross, Salvation Army, Karidat, The Soup Kitchen, and Saipan4us. We are asking parents and friends of SIS to support our efforts by donating items, such as clothes, food, toys, and money. All donations should be dropped off to the office. If you would like to donate

money, please write a check payable to SIS. We will be hosting other fundraising events. SIS will later allocate the money to the non-profit organization supporting our island mentioned above. If you would like to help or need more information, please contact Ms. Mili (288-9660) or Jennifer (989-3180). Thank You!

STUDENT VISAS

All students holding F-1 visas must come to the office with their passports and a copy of the I-20 form. This is a very

important matter.

GREAT OPORTUNITY

A Book Exchange Bonanza at the Joeten Kiyu Public Library every

Wednesday and Thursday from 9am to 1pm

started today, August 27, 2015. Come on down to the Joeten Kiyu Public Library next week Wednesday and Thursday, and either share a book, donate a book, or pick one up for free. ☺

SPORTS:

You may be wondering: Is there going to be any sports season this year? SIS is coordinating a

meeting with the other private schools to organize our regular tournaments. Co-ed Volleyball for Middle School is first. We will have more information by next week.

MISO Volleyball boys (High School) is postponed until all Public Schools are open. We will also discuss with the other private school to find an alternative tournament for our athletes.
