Freshman/Sophomore President: Isaac Jang

Junior/Senior President: Daniel Lim

Volleyball Season is here! Our teams have started practices last week. We do not know when the leagues will start, but we will work on having our teams ready, and more information will be shared when available.

The progress reports (Gr. 3-12) will be sent home on September 22. Please ask your child to show you those reports.

Pictures have been taken and packages will be delivered sometime in October.

New families should register their children at CHC for their health clearance and hospital number.

This process makes appointments at the hospital faster and easier, and also speeds up care in case of an emergency.

Also, all students must have a Student Health Clearance. This certificate can be issued by the Department of Public Health at CHC or by any local private clinic.

If your child needs any immunization you may contact the Department of Health (CHC).

The Department of Public Health will verify this information at the end of September. Students without this clearance will not be allowed to attend classes. We urge all parents to register their children at the hospital and complete this process as soon as possible.

THANK YOU

To all members of our SIS family for bringing school supplies, clothes and food for the victims of the Typhoon Soudelor. We put big smiles to more than 20 families in the Tanapag area.

BAKE SALE IS THIS COMING FRIDAY!

Thank you to parents K-4 through 3rd grade for sponsoring this month's sale.

CAPITAL Improvement

SIS will be forming a Capital Improvement Committee (CIC) to establish a Capital Improvement Plan (CIP). The CIC will work to determine the improvements necessary to continue SIS's tradition of excellence in education. Members of the CIC do not need to be parents of SIS, anyone is welcome to join. We need people with expertise in architecture, finance, etc. Please feel free to contact the office if you are interested in supporting the CIC efforts. Also, spread the word in the Saipan community to people who could provide their valuable expertise.
