NEWS FROM THE HEADMASTER'S OFFICE

SIS is celebrating our 20th Anniversary this year! As a kick off for the event we plan on holding a celebration of our school on September 18, and everyone is invited. More details will be given out next week. Please mark your calendars for the date.

We will be starting our Title I ESL classes next week. The parental consent letters were sent to those students who are being invited to enroll in the courses. Please return those as soon as possible so we can enroll your child. The size of the classes is limited to seven (7) students and will be on a first come, first serve basis. The class schedule is designed so that the academic core classes will not be affected by the ESL classes. If anyone has any questions about this program, please feel free to contact me.

Also, be on the lookout for our Destino Peru 2013 student presentation on their experiences during last summer's study tour of Peru. It will be shown on September 14, in the American Memorial Park Theater beginning at 6:30 pm.

If your email address or phone number has been changed,

please let the school office know as soon as possible. We need to be able to contact you at any time in case of an emergency.

All school pictures have been taken. They will be delivered by the end of the month.

Hardt Eye Clinic will provide a Free Vision Exams for all our students. This free eye exam will help detecting early vision problems. Elementary students (Kinder – 5th) will have the exam on Tuesday, September 10 starting at 8:15 a.m. Middle School – High School students will continue Tuesday, September 11 at 8:15 a.m. If you wish your child to be exempted from this exam please contact Dr. Jenkins.
